## ABOUT RIOT FORGE

"We're a player- and developer-focused publisher; our mission is to bring awesome new League of Legends games to players by partnering with experienced and talented developers from around the world.

The League Universe and its champions offer limitless possibilities; by supporting and empowering passionate partners to tell their own stories and expand the League world, we'll deliver a variety of bespoke games that enable players of all types to experience League in new and exciting ways.

We can't wait to get these games to players and play them ourselves!

the League Universe and its champion's ever-increasing popularity, by supporting and empowering passionate partners to tell their own stories and expand the League world, we'll deliver a variety of bespoke games that enable players of all types to experience League in new and exciting ways.

We can't wait to get these games to players and play them ourselves!

If you're a developer and want to be a part of our mission, we want to hear from you."
